L'AVENIR FAR & NEAR PINOTAGE ROSE 2018

THE VINTAGE
Another consecutive dry and early vintage for Stellenbosch. L'Avenir's wines have shown notable elegance, with delicate fruit flavours and lower alcohols. Since Pinotage is generally harvested early in the season, the grapes benefit from moderate ripening conditions.

THE VINEYARDS
A selection of prime Stellenbosch Pinotage vineyards, that are specifically managed for Rosé production. Soil types include Glenrosa, Vilafonte and Oakleaf.

AVERAGE YIELD
8 tonnes per hectare

WINEMAKING
Grapes were harvested by hand at optimal ripeness, with Pinotage boasting a high natural acidity. Limited skin contact of not more than four hours resulted in an eye-catching pale pink colour.

TASTING NOTES

An elegant and delicate expression of Pinotage rosé, with notes of fresh raspberries and pomegranates and a crisp touch of lime.

Appearance
An alluring pale pink, reminiscent of salmon and hues of sunset.

Nose
Attractive notes of fresh raspberries and pomegranate, with a subtle hint of rose petals.

Palate
Crisp but delicate, with a refreshing balance between vibrant fruit, floral notes and natural acidity.

TECHNICAL DETAILS

Grape Variety : 100% Pinotage

Alc/Vol : 13.5%

Tartatic Acidity : 5.81 g/L

Ph : 3.46

Residual Sugar : 2.13 g/L
