LES SOURCES DE LIVRAN 2014

The second feature of this wine is to be from a land ideally suited to the production of racy and powerful wines. Indeed, under the leadership of successive owners, Russian Alexey Shkrapkin and Edwige Lurton-Michon and her husband Olivier Michon, new plots were acquired or rehabilitated to their land of high quality.

Excellence in perspective at Chateau Livran! The grape varieties are divided 60% Merlot, for sharpness, and 40% Cabernet Sauvignon in body and inherent robustness of wines from the Medoc.

TASTING NOTES

This wine with a beautiful deep black brilliance makes one discover mild flavors of strawberry jam and cherries. The fresh and delicate taste of a fine structure is emphasized by a pleasant balance which adds a charming sweet profile to this wine. Fine and mild tannins are typical for the final stage of tasting as they make it sufficiently stable.
